Dear Collin County Property Owner:

The Collin County Rural Addressing Office is currently standardizing emergency addressing, to ensure that there will not be a delay of emergency service to your residence.

In coordination with the City of Lowry Crossing, the Collin County Sheriff's and Fire Marshal's Offices, and the U.S. Post Office, the Collin County Rural Addressing Office is proposing to change the road name and addressing of County Road 984 to be consistent with the city addressing method.

This coordinated effort is intended to facilitate both 9-1-1 emergency response and the delivery of mail. This also will forestall the need to change your address in the future, if it is annexed into the city.

These addressing recommendations will be made to the Collin County Commissioners' Court. The agenda request will be made for the public court session on June 18, 2012, which you are welcome to attend. The scheduled court date is subject to change – for information on the latest agenda notice go to:  
[www.co.collin.tx.us/commissioners\\_court/commcourt\\_agenda.jsp](http://www.co.collin.tx.us/commissioners_court/commcourt_agenda.jsp).

Upon approval by Commissioners Court, the 9-1-1/mail addresses on the David Cherry Survey, Abstract 166, Block 4, Tract 168 will change:

from	191 COUNTY ROAD 984	to	<b>191 EASTHAM LN</b>
	4832 E US HIGHWAY 380		4832 E US HIGHWAY 380 (no change)

**Please don't make any changes now** – in the week after approval by the Commissioners Court, a 9-1-1 address change approval letter will be sent to you, and then you may begin using the new address. The post office will continue to forward mail addressed with the old address for a period of twelve (12) months.

Your emergency service dispatchers and the Collin Central Appraisal District will be notified of this change in the 9-1-1 database by this office.

The two Collin County Department of Public Safety (DPS) offices, in McKinney and Plano, will update the address on drivers licenses at no charge when shown the 9-1-1 address change approval letter.

Property deeds are not affected by a change in address - even though the deed may reference a physical address, the legal description is the permanent property identifier. This office will provide an address verification letter at no charge, if ever needed in the future.

If you have any questions concerning this address, please call the GIS/9-1-1 Rural Addressing office at 972-548-4797.

Sincerely,

Ramona Luster
